*A **Commission** is a body provided for by the Unicameral Board of the Church to oversee a particular part of the Church’s life and ministry. Each Commission will have the authority to carry out the goals established by the Unicameral Board and will regularly report its decision and actions to that Board.*

***Committees** will be formed in each Commission including both those who serve on the Commission and a variety of other co-opted members. These committees will carry out specific tasks and report to the Commissions. They will meet during the first hour of Commission Night, and at such other times as may be necessary to carry out their tasks.*
