

Keeping *the* Promise

In 2017 our church celebrates its 300th anniversary. 300 years of saints pledged their time, talents, and dollars to build the church that we know and love today.

You are invited ...

to join your brothers and sisters in Christ at First Presbyterian Church of Metuchen in funding the important work that we do for people and families.

Continue ...

to make a difference in our community and our world — and leave a legacy for future generations.

Make your pledge today.

Together we can do so much!

Please complete the enclosed Pledge Card and put it in the church offering plate, mail it, or pledge online by **November 20**.
