

Help Keep Families Together

#keepfamiliestogether

Your Small Donation Makes A Big Difference

By purchasing a **#keepfamiliestogether** lapel pin, \$7 each or \$5 for more than 1, you'll be helping families who are in danger of being separated because of immigration circumstances.

100% of the proceeds go to the Help Immigration Fund of Metuchen & Edison, New Jersey, a non-profit fund set up by a coalition of churches, community groups and individuals to help families in danger of deportation.

For more information or to place an order, go to fpcweb.org or email: jkarmann@fpcweb.org.

You can be the reason why a family stays together!
