Where God's Love Welcomes All

August 22, 2019

SUBJECT: AFTER-WORSHIP REFRESHMENTS

The **after-worship refreshments** are an important part of the Sunday morning program, and the Congregational Life Commission is asking the following Church groups to be responsible for the after-worship refreshments in the coming months:

- September 2019 Board of Deacons
- October 2019 Worship and Music Commission
- November 2019 Youth Commission
- December 2019 Congregational Life Commission
- January 2020 Mission and Outreach Commission
- February 2020 Christian Education Commission
- March 2020 Personnel Commission
- April 2020 Stewardship Commission
- May 2020 Members of the Congregation
- June 2020 Finance Commission
- July 2020 Presbyterian Women
- August 2020 Congregational Life Commission

Two or three people is all that is necessary, and all the supplies for coffee and tea are readily available in Room 109, with the exception of milk, which you are asked to contribute.

The coffee and hot water for tea are prepared by the Building & Grounds staff. Please clean up after the coffee hour. The Indonesian Fellowship usually uses the coffee and hot water prior to their Noon worship service.

The Church no longer supplies cookies, but they are often contributed by the host group. It's an option that is appreciated by the members and guests!

Instructions are posted in Room 109. Your volunteers should arrive at 9:00 AM to set up in Room 109, and should leave the worship service during the last hymn.

Sincerely,

Congregational Life Commission
